

INFOISAV 2013

CRYPTON

Description:

Breaking things are always easy. But breaking things in best possible way is the art you need to pass through these ciphers. Things are garnished and presented in the best possible way. Lick the cream off the dish and tell us the ingredients.

Prize Money: Rs. 12000 /-

Rules:

- **Round 1(Online event):**

1. Round 1 consists of 30 questions- 20 aptitude, 5 reverse engineering and 5 cryptography.
